Note: The exe file of each plugin can be zip to double click on this win-mac, then the g3 version will be automatically opened. For this purpose the VST 3 applications must be in R2R format. Upgrade your plugins There are different ways of upgrading any plugin. You can install an update and remove the old version of the plugin or you can install a new one directly. For the first method you must edit the plugin's folder and read the readme file. The location of the plugin folder is in many cases: C:/Program Files/plugin folder C:/ProgramData/plugin folder The readme file usually has a "Change Log" in which you can see all updates to the plugin. Install automatically Some providers offer to update 3e33713323
