KEYMACRO is an instant messaging software for business, marketing, creative, financial and educational. You can use it to create a number of text, photo, audio, video and HTML messages and distribute them among friends and business contacts. It also provides 2 way message delivery. First we demonstrate the installation procedure, of KEYMACRO. There are two methods of installing this software, the first is by downloading the setup file from the website, the other is by downloading the setup file from an Internet Explorer link which also offers the License key. In the first method, the setup file is saved on the desktop. In the second method, it is saved on the desktop and License key is saved in the same folder. To download the setup file from the website, you need to log on to the website www.keymacro.net and click the 'Download' button. If you are doing it from the desktop, you need to click the 'Download' button, then save the setup file to the desktop. In case you are going through Internet Explorer, you need to go to the Web address www.keymacro.net and click the 'Download' button. After clicking it, you will see the 'Save File' option. Click it and choose the location on your desktop. The Setup file is of about 650MB, so you need to click the 'Save File' option in the lower right corner of the Internet Explorer. Now, you have the Setup file in your desktop. Double click the file to start the installation procedure. The second step is to activate your license key. To do this, you need to log on to your keymacro.net account. Go to the menu on the left hand side, then to the License key tab and click the 'Activate' button. You will be asked to enter the license key which you received from our website www.keymacro.net. When entering the license key, you will be asked to enter your email address which you can use to check your keymacro.net account. Once you have activated your keymacro.net account, the License key tab will display the license key for your keymacro.net account. Now click the 'Activate' button. Once the activation process is over, you will see a green box on the top left hand corner of your screen 81e310abff
