Elden Ring Features Key:

Vast World: You can freely move and explore a vast world full of excitement. There are open fields with a variety of landscapes as well as huge dungeons that are rich in three-dimensional designs.

Online Play, Single Player, and Customization: You can play the game alone or connect with other players in the open world or online. Your own character can be strengthened to become stronger, and you can freely develop your weapons, armor, and magic.

Brilliant Battles: Encounter various enemies in a massive and vividly represented world and participate in tactical battles.

Epic Story: The story centers around the Elden Ring as its forebearers gave shape to the Lands Between. The opposing forces fight to possess the Elden Ring, and the hero must protect it with compassion.

New game mode: Offline and Online Arena:

- **Offline Arena:** The offline mode lets you challenge yourself and learn new skills through various battles in a completely safe environment.
- **Online Arena:** The online mode allows you to connect with others to begin an excitement-fueled PvP battle.

Excitement for the Elden Stone:

- **PvE/PvP:** PvE mode features rich and diverse battles, and PvP mode invites you to leave the safety of the offline arena and experience powerful PvE content.
- **Customization Support:** Equip characters with various items from weapons to armor to apply your own

style.

- Max Level 15: The maximum level of the character increases at a rate of 1 level per day and 1000 EXP for the first level. Your characters can freely develop, which means they can level up far more quickly than usual.

Exclusive Chests:

- The first Treasure Chest should contain a rare-material weapon that you need to enhance your Attribute Strength. You can receive the materials to enhance items from your shop in the world.
- Also check your Treasure Chest as many times as you want to collect additional items with the same attribute.
