What is Photoshop Elements 16? Adobe has released Photoshop Elements 16 to be downloaded free of cost. This is the latest version and Adobe has addressed a lot of drawbacks from the prior versions. The features are easier to understand and more user-friendly. Some changes are very simple and easy to accomplish and others are very complicated, so before you start using it, you should know what you are going to do. Here are some of the changes you can expect in Photoshop Elements 16: For the very first time, you can easily create vector graphics with different drawing tools. You can easily sync the images between your desktop and mobile device using a Wi-Fi connection. Save time by using the new tools to edit photos. You can easily edit the YouTube or Vimeo videos. Now, you have the creative suite; you can not only edit images but you can also draw a lot of things. Control the colors with the new tools and you can make changes from a simplified user interface. So, let's go over the features that are very important to make photo editing a lot easier. 1. Sync your mobile You can easily sync your device or desktop with Elements 16. You should select the option to sync your desktop through Wi-Fi, the device, or both. 2. Create vector graphics If you have a good graphic design background, you should be able to use the pen tool easily. However, if you do not have any graphic design background, you may be surprised. The new pen tool will become easier for you to learn and you will be able to draw anything that you like. In addition, you can even draw with absolute precision. And you can not only draw a rectangle or line, but also circles, ellipses, polygons, rectangles and freehand. 3. Draw and paint Drawing and painting has become much easier with the new tools. You can use the airbrush paint or drop shadows to create a 3D effect and you can paint on other graphics objects with the paint brush tool. You also have the simple paintbrush tool, which is very easy to learn, that allows you to draw anything. 4. Create YouTube or Vimeo videos Whether it is a birthday party, a holiday or a wedding, you can create videos using the video editor and it will work regardless of where you 05a79cecff

Educate, Empower, Advocate Menu “Different Views” is going to Stop at Mayor Weaseldiscus Video Instructions on How to “Take Back Mayor Weaseldiscus” How we win: Order to take back the mayor discus from the “Mayor’s Office” is automatically delivered to the president of the Mayors’ Association of the District of Columbia. This is sent before the president has any choice in the matter. That’s how we win. How we lose: The president of the association does not know how to reverse the order. Therefore, it goes on to the Council. An agenda item may be added, or substituted, or a substitute may be selected, depending on the mayor’s office. It is not done in a timely way because the president has not had time to do his due diligence on the order. Record Keeping: What are we doing for record keeping? Records of communications between the president of the mayor’s association and council members must be kept in the archives by the DC Government. Therefore, if there is a change in the membership of the association, we need time to file an act of incorporation, or we would need to take a 7-10 day vacation on the anniversary of our organization’s founding. Summary of how we lost: It is clear that “Different Views” is going to stop at Mayor Weaseldiscus – rather than continue to exert a positive effect on the Council as a whole. The Council will need time to decipher “Different Views,” and to separate fact from fiction. And by the way, the jury won’t be empaneled until October 2015. President of the Mayors’ Association of the District of Columbia, Councilmember Mendelson, please remind the mayor that it is not allowed to spread “FALSE INFORMATION” (per the Rules of the Council). Now for the important question. How do we change this? Who is “Different Views”? In other words, “Why does the Association of the Mayors oppose “Different Views,” and “What can we do to change this?” A look at the membership of the Mayors’ Association may indicate a reason. It was formed to represent the “mayors” of the District of Columbia – a very specific group –
