Q: Selecting SQL query based on extra column I'm working on an assignment to get our SQL professor to accept our program for submission to an actual SQL database. I've written our code, and added a column 'What' and put in the data "Ball" to see how my SQL code would respond. On the "SELECT" statement, I'd like to select only the record(s) where the 'What' column = "Ball" based off what I'm seeing on the screen. Here's my SQL statement: select user_id, name, email, created_dt, ip_address, datetime from current_user where datetime between DATEADD(day,-1,GETDATE()) AND DATEADD(day,1,GETDATE()) and (name like '% ' || :name || '% ' OR email like '% ' || :email || '% ' OR user_id like '% ' || :user_id || '% ' OR ip_address like '% ' || :ip_address || '% '); And here's my query parameter: var queryParams = new Dictionary { {"name", "joel"}, {"email", "joel@brandenburg.com"}, {"user_id", "37"}, {"ip_address", "192.168.1.116"}, }; This is my first time attempting to use parameters, so I'd appreciate any help. A: You need to pass in the values for the parameters, and use the parameters in your query. Change the part of your where clause that looks like this: AND user_id like '% ' || :user_id || '% ' to this: AND user_id = @user_id #X-Generator: crowdin.com # # This file defines the default (English) variants of all of the internationalised messages browse.title=\u7C7B\u5408\u5206\u6790\u6210\u529F\u670D\u52A1 browse

[The competence-centers of the hospitals--an alternative for care for old and frail care?]. The aging of the population and the subsequent rise in the number of people in need of long-term care has led to an intensification of the cooperation among the various care providers. The competence center model has been proposed as a way of sharing the responsibility for the care of the old and frail elderly, integrating the care for this group of people. This model comprises three elements: the evaluation of the needs and deficits of the person, the planning and realization of an adequate care, and care education./* * FreeRTOS Kernel V10.1.0 * Copyright (C) 2018 Amazon.com, Inc. or its affiliates.
