The Elden Ring is a fantasy action RPG game exclusively developed by **Borderstone**. The goal of the game is to explore the riches of the world and battle monsters. As the new hero of the Lands Between, you will be forging a road toward the fulfilment of your destiny… and also finding out the key that buried somewhere deep within you yourself. Gameplay in which the fate of the world plays itself out will become possible by establishing close friendships with partners and facing challenging battles.

Though the game mainly adopts the battle system of grid-based RPGs, the development team has introduced

Hey y'all, We're really excited to announce that Rise: Tarnished is now live on the PS4. Thank you all so much for your support and we hope you enjoy the game. We have added a few new gameplay features in the last few weeks of development to give you guys a taste of what you can expect. The first is blood and gore system. Our playtesters have kept an eye on that and it has been receiving a lot of attention. Our second feature is an "Underground Kingdom" main story where you get to delve into the depths of dungeons. And lastly, it's a good time to make it official: Rise: Tarnished will make its way to the Nintendo Switch on 9/21 at a reduced price. Rise: Tarnished offers a unique adventure in the Lands Between where you will have to battle through endless dungeons, slay monsters, and level up to become an Elden Lord. Character creation: Choose from one of 4 races! All races have different starting equipment and skills. All races have 4 starting classes. Male and Female look very similar (build), but can be skin-tone swapped. Our goal is to create a variety of characters to enjoy. Equipment: Changing your armor and weapons will unlock a variety of skills. Equipment can be equipped into slots. When you find new gear, you can immediately equip it without waiting for a crafting time. You will also be able to upgrade your gear based on the level that you've put into the skill. Using 2 different equipment will open up a few skill skills. Hacking and slashing Magic: Magic is mainly a defensive option, but powerful enough to break down enemies. The combo system of magic creates a variety of attacks. If you can hold the direction key down, the combo will be repeated. In general, magic is only useful while you're in combat. Crafting: To craft equipment, you need ingredients. To craft items, you need a number of materials. We're very excited to bring you our new crafting system

Día de los Muertos: La antropología del difunto 22 Oct 2017 23:12:09 +0000megrande264 at Introduction to 'Day of the Dead'

Day of the Dead is a yearly celebration in Mexico of the death of loved ones over the past year. Started in 1932, Dia de los Muertos spurs families to spend time with their deceased relatives, to pray for their forgiveness, and to eat traditional foods such as marigolds and sweetbreads. Despite huge shifts in the United States, such as Hollywood celebrating Dia de los Muertos with their productions of Halloween and Suicide Squad, at its heart, this holiday is about honoring and remembering one's departed. Extending far into the past, Dia de los Muertos was also a ritual honoring the dead throughout Latin America as well as ancient civilizations. In the book In Search of the Dead by Teresa Sanchez in which she studies the original Halloween in Mexico, Sanchez notes that Dia de los Muertos in Mexico "is much more than having a memorial of deceased family members". According to Sanchez, this remembrance of the departed extended further than the pyres on which their ashes were consigned and "involved not just ritual gatherings with the deceased, but the practices include "returns" to the home. Sanchez observes the valorization of nongovernmental organizations like Parent Teachers and the spiritual leaders and agriculturists of El Diablito, the district of Mexico where there is not only a large burial ground for the dead, but also a rich history of crus
